At Sweet Clover Farm we are here to make your dreams come true for a unique, one-of-a-kind farm wedding. This hidden little gem is only 5 miles from historic Hermann, Mo along the Missouri river. We have an original circa 1920-1930's barn that is still home to our livestock of angus cattle. Our 3700 square foot event building with wagon wheel and mason jar chandeliers, a bridal suite for the lovely bride and her attendants and groom's shed for the guy's. What makes us unique is that we are still a working farm during the week and by weekend we are truly an amazing destination wedding venue.
