

VENUE GUIDE

About

Sweet Clover Farm is dedicated to providing a memorable experience for you and your guests. Our rustic wedding venue features a range of amenities rarely found elsewhere.

Located just five miles from historic Hermann, Missouri along the Missouri River, Sweet Clover Farm offers a distinctive setting for your farm wedding. The property includes an original 1920s–1930s barn, which continues to house our angus cattle, and a 3,700 square foot event building adorned with wagon wheel and mason jar chandeliers. For your convenience, there is a bridal suite available for the bride and attendants, as well as a groom's shed for the gentlemen. During the week, we operate as a fully functioning farm, while on weekends we transform into a unique destination wedding venue.
